Dear Mr. and Mrs. Fabrizio and Family,

I am writing to you on behalf of the New England Eye and Tissue Transplant Bank to express our deepest sympathy on the loss of your son, Scott. His passing is such a tragedy, but I do hope the option of donation has offered you some comfort.

With your permission we were able to recover corneal tissue from your loved one. I hope that it will bring some comfort to you in knowing that both corneas have been transplanted and are helping to restore the sight of two very grateful people. One recipient is a man, fifty-two years of age; the other recipient is a woman, seventy-eight years of age.

I would like you to know that your kind gesture will forever be seen as a true expression of love for your son. I can assure you that your willingness to give such an invaluable gift will forever be remembered and admired.

Please accept our sincere sympathy and know that our thoughts and support continue to remain with you.

Sincerely,

Stephanie Ferrone
